

MEMORANDUM

Date: December 14, 2005

To: Distribution List (see attached)

From: Robert Gay, SHA

Subject: Follow-Up Actions from ICC Contract A Design-Build Forum
held December 8, 2005

On behalf of Maryland SHA and the Maryland Transportation Authority, I wish to express our sincere appreciation for your participation in our kick-off meeting to the Design-Build community, held December 8, 2005 at the BWI Marriott Hotel. We were extremely pleased with the level of participation and opportunities for interaction on this project of critical importance to the State of Maryland. We and our GEC look forward to partnering with the successful Design-Build team for the construction of ICC Contract A.

The following additional information is enclosed in this package:

- Attendance list for all present during the D-B Forum.
- Contract packaging map for ICC Contracts A through E (the "rainbow" map), dated 12.7.2005.
- Technical excerpts from the PowerPoint™ presentation describing details of Contract A (36 slides, 18 pages).
- Memorandum from Administrator Pedersen dated November 17, 2005 entitled "Employment of former State Highway Administration employees by consultants with State Highway Administration contracts" (5 pages).

We are presently preparing our responses to the questions raised during the Design-Build forum related to our Request for Qualifications, dated November 29, 2005. We expect to post our first set of Responses to Proposer Questions addressing these questions on our RFQ, and Addendum #1, on our Internet site the week of December 19, 2005. All Responses to Proposer Questions and Addenda, along with this memorandum and the four (4) attachments, will be available for downloading free of charge on the SHA Internet site (www.marylandroads.com). To access the document, click on the link "Contracts, Bids, & Proposals" under "Business with SHA". Click "Competitive Sealed Proposals" under "Construction Contracts". The Request for Qualifications will appear under this link. All responses to questions on our RFQ, as well as any addenda to our RFQ, will be posted on this site; we will NOT be mailing them out.

In January, 2006, we expect to mail a CD of the Final EIS document to all attendees ... copies of this document will be posted on the project's website, www.iccstudy.org.

As a reminder, we wish to note that the final date for receipt of proposer's questions on the RFQ for ICC Contract A is January 10, 2006. Your SOQ packages are due to SHA before **4:00 PM February 3, 2006**. If you have additional questions or comments, please contact Mr. Robert P. Gay (410.545.0433)
